

Building Strong Networks in Cluster 1 Health & Mission Cancer

Brokerage Event

September 28, 2026

13.00 – 19:00

Venue: Comet meetings Louise, Pl. Stéphanie 20, 1050 Brussels, Belgium

The Research Council of Lithuania National Contact Point and the National Contact Point at the National Centre for Research and Development (NCBR, Poland), in collaboration with the Lithuanian Research Development and Innovation Liaison Office in Brussels (LINO) and the NCBR Office in Brussels, and in partnership with French, Estonian, Latvian and Belgian NCPs, are pleased to invite you to a high-level brokerage event dedicated to Horizon Europe Cluster 1 Health and the Cancer Mission.

This event is designed to support stakeholders interested in participating in upcoming Horizon Europe calls and in fostering strong international partnerships. It will bring together researchers, innovators, healthcare professionals, and policymakers working in areas such as healthcare innovation, clinical trials, digital health, and artificial intelligence.

Participants will benefit from:

- insights into upcoming Horizon Europe 2027 calls and priorities,
- contributions from distinguished speakers representing the European Commission, the European Parliament, and leading European health research institutions,
- opportunities to pitch project ideas, identify partners, and join consortia.

The event is organized just prior to the [EU Cancer Mission Showcase](#), which will take place from 29 September to 1 October 2026 in Brussels (Belgium).
