

WARSZAWSKI UNIWERSYTET MEDYCZNY MEDICAL
UNIVERSITY OF WARSAW

VICE-RECTOR FOR SCIENCE AND TECHNOLOGY TRANSFER

PNT/AEN/W/0725/4237/2020

Warsaw, 27 July 2020

Heads of Clinical Departments and Institutes
with employees conducting scientific research
in the discipline: **medical sciences**.

Subject: Increase in the limits of "statutory subjects", distribution of funds not used in Competition No. 1. of Internal Projects – discipline: MEDICAL SCIENCES.

Dear Sirs,

I kindly inform you that the funds unused under Competition No. 1 of Internal Projects – discipline: MEDICAL SCIENCES, have been distributed.

According to the proposal of the Council for the Medical Sciences Discipline and the decision of HM Rector, the unused funds have been divided into units the employees of which are conducting research in medical sciences.

The basis for the division is the sum of points obtained by the employees of a given unit for the accomplishments in 2019 – publications, projects and patents – qualified as accomplishment in medical sciences. For employees declaring activity in two disciplines, publications were qualified for the disciplines indicated in the declarations generated in the WUM.PUBLIKACJE system; the projects and patents were qualified to the leading disciplines. The summary was made according to the status as at the date of the summary of accomplishments for 2019, i.e. for 15 May this year.

The increase in the funding for units in 2020 was defined according to the formula below.

$$\frac{\text{Score obtained by the unit in medical sciences for accomplishments (2019)}}{\text{Sum of scores for accomplishments in medical sciences obtained by all units WUM (2019)}} * \text{Funds unused in Competition No. 1 for Internal Projects – discipline: MEDICAL SCIENCES}$$

Individual decisions regarding the final distribution of the funds will not be issued. Should you have any questions, please contact the Department of Science: (aen@wum.edu.pl).

The principles for funds disbursement shall remain unchanged.

Sincerely yours,

/illegible signature/
prof. dr hab. Jadwiga Turlo
