Re: implementation of Workflow applications submitted in 2021

With reference to Letter AOKR/1/1966/2021 of 3 September 2021 on the dates of funds disbursement, I hereby inform you that the **applications submitted and not implemented in 2021** from the funds obtained under:

- Subvention allocated for scientific goals – funds distributed by Vice-Rector for Science and Technology Transfer (item 2 and 3 of the afore-said letter),
- Subvention and paid performance of didactic services with the allocation for didactic expenses - funds distributed by Deans of particular faculties (item 4 of the afore-said letter),
- Scientific and research services and other commercial services available based on the approved budgets for tasks and cost calculations (item 5 of the afore-said letter),
- Subvention allocated for co-financing of projects and other tasks – Rector's reserve,

shall be implemented in 2022, without the necessity to change the source of funding.

Until the update of the MUW task schedule for the year 2022, the above-mentioned procurement shall be covered with the funds awarded by the Ministry of Health based on Decision No. RKN.320.33.2021.SS.
