Brokerage event in **Paris (on site)** Horizon Europe 2024 calls: **Health & SSH**
Monday, 5th June 2023 | 09:30 - 17:00 CET

The European-funded support project **HNN3.0** is organizing a brokerage event on site in Paris, dedicated to Horizon Europe Cluster 1 **HEALTH** 2024 calls for proposals, where the involvement of partners with specific expertise in the **SOCIAL SCIENCES AND HUMANITIES (SSH)** is of major importance.

Several topics in Cluster 1 (mainly from the health but also from the Cluster 2 Work Programme), require the effective contribution of SSH disciplines and the involvement of SSH experts, institutions as well as the inclusion of relevant SSH expertise, in order to produce meaningful and significant effects enhancing the societal impact of the related research activities.

You are working in the health-research area and you are looking for SSH partners?
You are working in the SSH-research area and you want to participate in health-related projects?

This international partnering event will give these two research communities the chance to meet and help them to build their consortium for the upcoming 2024 calls

The event will include pitch sessions and bilateral meetings with partners interested in the same topics for 2024 Health calls can come together and share their ideas and interests.

This event, free of charge, will be limited to **150 participants**, therefore, don't delay in registering as soon as it opens end of March!

Do not miss this unique opportunity to meet in Paris and to build projects together!

This event is organized in collaboration with **Net4Society**, the international network of Cluster 2 National Contact.
